COVID INFORMATION FOR 2021 CHURCH CAMP (as of March 31, 2021)

We are staying in close communication with state and county health departments to prepare for camp.

Our current modifications for camps are as follows:

A licensed medical professional will be present at all camps.

The ways in which we clean will change.

For example, sanitizing after meals will be done by adults instead of by campers.

Sanitizer stations will be everywhere campers gather.

Social distancing will be encouraged.

As of right now, our camps will be registered at half capacity with the possibility that this could change as camp season grows closer.

Masks will be required in all common areas.

Upon arrival to camp, temperatures will be taken before campers exit the car.
